Who We Are

Big Medium is a nonprofit organization dedicated to supporting artists in Austin and across Texas. We provide opportunities for artists to create, exhibit, and discuss their work and connect to a diverse audience each year. We strive to make art a part of every day life.

What We Do

Big Medium produces the West Austin Studio Tour, the East Austin Studio Tour, the Texas Biennial, and the Big Medium Gallery. We also provide studio space to artists at Canopy and umbrella artists through our Sponsored Projects program. Our newest program, Creative Standard, offers professional development workshops, presentations, and resources to support local artists at any stage of their career.

Join Us

Your membership to Big Medium today helps the Austin visual arts community thrive by underwriting the cost of producing WEST, providing fellowships to artists, and keeping the tour free and accessible to attendees. All members receive a copy of the WEST and EAST catalog in the mail and membership starts at just \$4.17 a month. Visit bigmedium.org/support.html to find out more.
